A Message From  
Mr. Pollard

The first week of school has been very successful for our teachers and students. We have been teaching the school procedures, students have learned how to go through the lunch line and which tables have been assigned to their class, and students have participated in a fire drill. Student enrollment in most classes has increased from last year due to a reduction in school funding provided by the State of Georgia, but our staff is committed to providing a quality education in a safe and nurturing environment. I wish each student much success this school year.

## MEDIA NEWS

## REDUCE – REUSE – RECYCLE

### Recycling starts with you!

Something old recycles into something new. Notebook paper, paper grocery bags, newspapers, magazines, phone books, envelopes, and craft paper can all be recycled into new paper products. Please dump your papers to be recycled into the dumpster on the Castlewood Road side of the parking lot. All proceeds will benefit Tyrone Elementary School.

Did you know . . . 87% of Americans have access to curbside or drop-off paper recycling programs? That's over 268,000,000 people!
