A Message From  
Mr. Pollard

Our school nurses continue to report students visiting the school clinic with flu-like symptoms including aching body, coughing and running a temperature. Please be reminded that a student who has a fever, can not return to school until they have been fever free for 24 hours without medication. Sending a sick child to school exposes all the students to their illness. If a child is sent home during the school day with a fever, that student will be expected to stay home the next day and not return to school until the fever has been gone for 24 hours. Please follow this procedure for the protection of all of our students and staff.
