Message from Mr. Pollard

Happy New Year! Upon returning to school I found a letter from the Governor's Office of Student Achievement congratulating me for our students' outstanding achievement on the CRCT last spring. In part it read, "Your hard work and that of your students, faculty and community has earned your school a platinum award for outstanding student achievement. It takes the collaborative effort of teachers, principals, and parents working with students to reap this level of success, and I applaud your entire community for this accomplishment." The criteria include making AYP for 3 consecutive years, at least 35 % of students exceed all standards in all test areas, and at least 98% of students meet or exceed standards on the CRCT.

I am very proud of the efforts of our staff and our students and it is an honor to serve them.
