A Message From  
Mr. Pollard

Students and some staff members are having flu-like illnesses and we do have some diagnosed cases of the swine flu. Please do not send your child to school if ill and please make sure that you follow the recommendations from medical authorities when your child has a fever. Students and staff should not return to school until they have been fever free for 24 hours without medication. All of us working together will hopefully reduce the effects of the flu on our school community.

Enjoy your Labor Day Holiday.
