A Message From Mr. Pollard

This past Tuesday morning our students and staff participated in the third fire drill of the year. It took us 1 minute and 45 seconds to completely evacuate the building and within 2 additional minutes we had accounted for everyone. As I listened over my walkie, I could hear Mrs. Davis, Mrs. Rowe and Mrs. Wright checking on several students who were not with their homeroom teacher while the practice took place. I want you to know that we do try our best to fulfill the part of our mission statement which reads, "we provide a quality education in a safe and nurturing environment". I hope we never have a real fire emergency, but it is good to know that we are prepared.
